Mr James Quinn  
Meridian  
12 Northbrook Road  
Ranelagh  
DUBLIN 6

Dear James

Your Group, and Daniel in particular, has been most helpful in initiating the "Improvement Programme" over the last several weeks.

I am optimistic that changes will lead to greater efficiency without any loss of quality.

Initiating these kind of changes can be a touchy business and I must congratulate your team on their sensitivity and expertise in this area.

I am looking forward to future audit visits.

Yours sincerely

---

Dr Declan Sugrue
